

Camp Phoenix

For kids with epilepsy

Central Northeast WI
Southern WI
Southeast WI
Western WI

July 25—30, 2010

Located

Wisconsin Lion's Camp
Rosholt, WI

Camp Phoenix is a summer camp for kids with epilepsy ages eight to seventeen. During the six day session, campers participate in a variety of activities and meet peeps who share their diagnosis or other health concerns. The camp, where even water activities are made safe for children with seizures, allows children to be just like everyone else, promoting independence and self confidence.

Information and Registration

Contact your local WI Epilepsy Foundation

Central and Northeast WI

715-341-5811 or 800-924-9932

annhubbard@efcnw.com

Southern WI

608-442-5555 or 800-657-4929

janemeyer@wisc.edu

Southeast WI

414-271-0110 or kdeuchars@epilepsyfoundationsewi.org

Western WI

715-834-4455 or 800-924-2105

lkelseyefww@sbcglobal.net

Wisconsin Lions Camp is tucked away in the heart of Wisconsin, 17 mile outside of Stevens Point. Over 400 acres of woods and trails surround crystal clear Lion's Lake. Air conditioned cabins offer comfortable single beds and personal storage areas for each camper. A newly built health lodge where there are nurses and medical aids on staff 24 hours a day is on-site.

We will join a group of visually impaired children at camp. To learn more about the camp visit www.wisconsinlionscamp.com

Space is limited and registrations must be complete by June 25, 2010
